Physical Science, Biology, Chemistry and Physics are among science courses which offer students an opportunity to learn about themselves and their environment. From atoms to organism,

science courses

involve life, showing how even the smallest element evolves into a living breathing organism.

A freshman student begins with Physical Science, which gives him an overall view of what science is about. From there, he studies biology which is involved with living concepts. After a student has completed this course, he may take advanced science classes if he is interested.

Distributive education
classes get an early start
on their career choice. By
working half a day, a
student is able to hold a
full time

job
before he graduates from
school. After graduation
he already has a job with
a year's experience.

- a. DE members discuss job opportunities while attending a DECA meeting.
- b. Pre-lab students learn what to expect from jobs next year.
- c. Students in DECA discuss different functions happening this year.

When that final bell rings,
this year's group of
energetic
seniors will be gone, but not
forgotten.

a. If I am elected, I promise . . .

Many days are active for the
seniors of '74;
 however, many are just as boring, and
 seniors don't mind expressing them-
 selves at all.

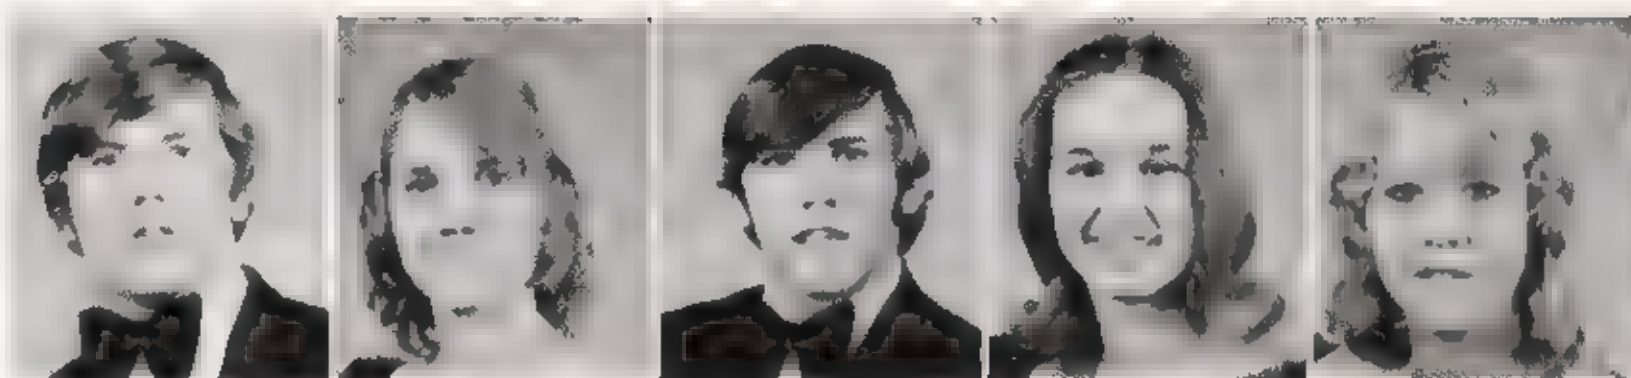

- a. Thought I was gonna die.
 b. We start to feel like this from about noon to 3:10 Monday through Friday.
 c. So what if he is the only boy in the class; learn to do with what you have.

We Christians of MacArthur, wish to tell the student body that we love you with the love that we can only express through Jesus Christ, who first loved us, and gave His life for us.

Our concern for you is that you may one day find the peace and joy that we have found; this happiness being life eternal.

Christians around the world are praying in harmony that you will see that this life in Jesus is real life, everlasting life. All you must do to receive this life is:

- 1) acknowledge that you — and everyone else have fallen short of God's glory. There is none righteous, no not one. (Romans 3:23, Rom. 3:10)
- 2) Believe that Jesus Christ died for your sinful nature, and that he rose again on the third day. (I Corinthians 15:3-6)
- 3) Ask Christ to come into your heart and save you. (Romans 10:9, 10, 13; Romans 3:23)
- 4) Thank Him for forgiving you, and you can know that Jesus is in your heart. He'll never leave you. (Hebrews 13:5) (I John 5:12; John 10:28, 27.)

We close in saying again, that we love you, but more importantly, God loves you, and loved you first, regardless of what you have been in the past. All the Savior wants to do is save you, give you real peace and purpose in your life. God bless you.

Jesus is alive,

THE REVOLVING TOWER RESTAURANT/COCKTAIL LOUNGE

Romantic dining is assured in the Tower Restaurant. As the Tower gently revolves seven stories above ground, diners have an everchanging view of the twinkling lights of the city, combined with the excitement and romance of arriving and departing Jumbo-Jets. Dinner is served seven nights a week, with entertainment nightly until 2:00 AM. For beautiful daytime viewing, guests may lunch in the Tower Monday through Saturday, or enjoy a lavish brunch on Sunday.
